

## Miami Children's Health Plan In-Office Laboratory Test Guidelines

Miami Children's Health Plan has contracted with Quest Diagnostics for laboratory services. All services, with the exception of the test listed below, must be referred to Quest Diagnostics. Quest is a certified, full service laboratory, offering a comprehensive menu of tests that includes routine, complex, drug, genetic testing and pathology.

For more information about testing available through Quest, or for a list of Quest drawing stations, visit [www.questdiagnostics.com](http://www.questdiagnostics.com).

**Claims for tests performed in the physician office, but not listed below will be denied.**

	<b>Code</b>	<b>Description</b>
PCP - Adult and Pediatric	80047	Basic Metabolic Panel
PCP - Adult and Pediatric	80048	Basic Metabolic Panel
PCP - Adult and Pediatric	80053	Comprehensive Metabolic Panel
PCP - Adult and Pediatric	81025	Urine Pregnancy Test
PCP - Adult and Pediatric	83655	Lead Screening
PCP - Adult and Pediatric	85018	Hemoglobin
PCP - Adult and Pediatric	86580	Tuberculosis
PCP - Adult and Pediatric	87400/87804	Influenza
PCP - Adult and Pediatric	87880	Rapid Strep
PCP - Adult and Pediatric	81000-81005	Urinalysis
PCP - Adult and Pediatric	82270-82272	Blood, Occult
PCP - Adult and Pediatric	85025-85027	CBC
PCP – Adult and Pediatric	87807	RSV
Dermatology/Dermatopathology	87101	Culture, Fungi
Dermatology/Dermatopathology	87205	Smear, Primary Source
Dermatology/Dermatopathology	88302-88305	Pathology
Dermatology/Dermatopathology	88331-88332	Pathology Consultation, during surgery
Endocrinologist	82947	Glucose , Quantitative
Endocrinologist	84436	Thyroxine, Free
Endocrinologist	84437	Thyroxine, Requiring Elution
Endocrinologist	84439	Thyroxine, Free
Endocrinologist	84443	TSH
Endocrinologist	85018	Hemoglobin
Endocrinologist	81000-81005	Urinalysis
Endocrinologist	82043-82044	Urine Microalbumin
Endocrinologist	82565-82575	Creatinine
Gastroenterology	88302-88305, 88312-88313, 88342	Pathology
Hematology/Oncology	80053	Comprehensive Metabolic Panel
Hematology/Oncology	83735	Magnesium
Hematology/Oncology	85007	Blood Count, Differential, WBC

Hematology/Oncology	85008	Blood Smear, Manual Blood Count
Hematology/Oncology	85014	Hematocrit
Hematology/Oncology	85018	Hemoglobin
Hematology/Oncology	85032	Manual Cell Count
Hematology/Oncology	85049	Platelet Count
Hematology/Oncology	85049	Platelet, Automated Count
Hematology/Oncology	85060	Peripheral Smear
Hematology/Oncology	85095	Bone Marrow ASP only
Hematology/Oncology	85097	Bone Marrow Smear, interpretation only
Hematology/Oncology	85102	Bone Marrow Biopsy Core
Hematology/Oncology	85535	Iron Stain
Hematology/Oncology	85576	Platelet Aggregation, any agent
Hematology/Oncology	80047-80048	Basic Metabolic Panel
Hematology/Oncology	81000-81005	Urinalysis
Hematology/Oncology	85025-85027	CBC
Hematology/Oncology	86140-86141	C Reactive Protein
Nephrology	80053	Comprehensive Metabolic Panel
Nephrology	85018	Hemoglobin
Nephrology	81000-81005	Urinalysis
Nephrology	82043-82044	Urine Microalbumin
Nephrology	82565-82575	Creatinine
Nephrology	85025-85027	CBC
Ob-Gyn	80053	Comprehensive Metabolic Panel
Ob-Gyn	81025	Urine Pregnancy test
Ob-Gyn	85018	Hemoglobin
Ob-Gyn	81000-81005	Urinalysis
Ob-Gyn	85025-85027	CBC
Pain Management	80304-80307	Drug Testing
Urology	81000-81005	Urinalysis
Urology	85025-85027	CBC
